This is a **fun** family event, intended for people of all ages and abilities. Imagination and creativity are the keys to participation.

It is also a "green" event because participants just email their photos to us on the day of the event! All photos will be displayed at the Awards Reception, because who doesn't like to see their efforts displayed in an artistic setting?

Sponsorship offers positive marketing benefits for local businesses, and provides an opportunity to promote art and fun in the community while raising funds for good causes.
